North Franklin County Health Service

To the Citizens of the Town of Coplin:

I submit the report of the North Franklin County Nursing Service for the period beginning January 1, 1941 and ending December 31, 1941.

Home visits were made in the interest of two infants and one pre-school child. General health habits were discussed and literature was given the parents. The nurse's inspection was made of the five children of the school. Records were completed and reports were made and sent home to the parents. Four conferences were held with the teacher and others in reference to defects found in school.

Funds had been raised by means of a social to care for corrections of these children. Plans were made for an immunization clinic but a meeting was in session on the specified date so that school children were not present. However, these will be carried out on a later date.

As a result of nurse's inspections in the school, the defects were elaborated and a greater united effort was made to increase the number of corrections, and, it is felt, this has been accomplished. The nurse worked in close cooperation with your teachers who were most helpful in stressing the needs for corrections.

Your County is fortunate in having the facilities of the dental clinics made possible by the local dentists and Hospital. The public health nurses of the Hospital area are given the opportunity to admit school children who otherwise might not have the opportunity to visit the dentists. Each month the Hospital maintains the services of a crippled children's clinic with an Orthopedic Surgeon in charge to which we may direct any individuals who appear to have any deforming conditions if their family physicians desire these services. Each month a chest clinic, sponsored by the Bureau of Health, is held at the Hospital so that Tuberculosis cases and their contacts may be followed-up.

Reference was made, in the 1940 report, to the fact that the nurse would endeavor to increase her visits to the homes of mothers, infants, and pre-school children for the purpose of discussing general health habits of living. This was done, considerable literature was given the mothers and discussions were carried out in reference to diet, rest, fresh air, health habits and child training.

As an educational feature of this Service each year, The Maine Public Health Association provides us with literature, posters, movie films and milk bottle caps. These were delivered early in April to schools, industries, stores, business establishments and dairies.

As has been the custom for a number of years, space was allotted the County nurses at the Franklin County Fair grounds. Literature pertaining to all phases of health was available upon request, posters were displayed and the most recent films were shown in reference to Tuberculosis, Cancer, and Syphilis. It was felt that a gratifying number of people saw these pictures and requested literature.

In summarizing the year's program, the nurse feels that the home visits to mothers and infants, to preschool and school ages, and all groups have been invaluable. She found that through these visits she has been able to inform the public as to her functions, to explain the meaning of findings of defects and, so often, to help direct the individuals toward the means of correction.

Through these visits she has been able to overcome the belief that the public health nurse works only with indigent cases. She finds people are most interested to learn that the objective of the Service is to aid in maintaining the best public health and to suggest measures toward the best healthful living, to find symptoms of defects and help plan for corrections and to urge measures such as protective treatments to prevent certain diseases.

Never before have we been so aware of the need for the best we can maintain in health. We are concerned with the fact that not only do we need the best we have in physique for fighting men in this war, but we must endeavor to attain the best possible physical health for our future generation. The future generation depends so much upon the best possible public health measures carried out now.

The Coplin school received a 50% Dental Certificate and three children qualified for the Seven Point Pin and Certificate.

The nurse wishes to take this opportunity to express her appreciation to all citizens who have participated in the health activities.

Respectfully submitted,

NORTH FRANKLIN COUNTY NURSING SERVICE,

By RUBY G. BENNETT, R. N.,

Public Health Nurse.

Coplin Plantation School Report

Fiscal Year 1941

Report of Superintendent of Schools

SUPERINTENDING SCHOOL COMMITTEE

Earl Bachelder	Term expires March, 1942
Ellen Blackwell	Term expires March, 1943
Ethel Bachelder	Term expires March, 1944

Officers of the S. S. Committee

Earl Bachelder	Chairman
Arthur Irish	Secretary

To the Members of the School Board and Parents and Citizens of Coplin:

The teacher of the Coplin School, Mrs. Laverne Lothrop Merrifield, left at the close of the Fall Term. The School Committee voted to have Mrs. Ellen Blackwell for a substitute, and she is very ably filling the position left vacant by Mrs. Merrifield. Last year we had another very competent teacher, Mrs. Thelma Bachelder Taylor. As long as we can get such good local teachers, it might be a good policy to keep the money here in town.

Last year \$3,256.17 was assessed in Town for everything, and only \$400 was for schools, or one dollar in ten. We don't need to raise hardly anything, as the Timber money is free of expense. The interest is \$1,073. The law says the School Money cannot be used for anything but schools, and any money left over must be carried over for school purposes only.

The past year the average of school rates was .013 while the average of municipal rates was .059. Thus we see that Coplin with a school rate of .003 and a Town rate of .045 is sitting pretty.

The number of pupils in the School varies. Now it is up and then down. When more pulp workers are wanted it will increase.

I am recommending the following reduced amounts to be raised for next year:

Common Schools	\$65 00
High School Tuition	65 00
Elementary Conveyance	40 00
High School Conveyance	40 00
Textbooks and Supplies	40 00
Repairs (money raised last year)	

It has been a pleasure for me to work with the various Town and School Officials.

Respectfully submitted,

ARTHUR IRISH,

Supt. of Schools.

COPLIN SCHOOL REPORT, 1941-1942

To the Superintendent, School Committee and Citizens of Coplin:

Having been asked to make a report, I will do the best I can from data left by Laverne Merrifield, teacher for the Fall term of fifteen weeks. The term began Sept. 8th and ended Dec. 19, 1941.

School opened with the following enrollment:

Grade II — Francis Bourque
 Roberta Bachelder
 Grade III — Harriet Bachelder
 Grade VI — Marcel Libby
 Grade VII — Celia Bachelder

At the end of the fifth week or Oct. 11th, Francis Bourque moved to Stratton. Nov. 18th Ernest White Grade I and Carl White Grade III entered the school.

Owing to these changes the average attendance for the term was only 4.95 — although Celia, Harriet and Roberta Bachelder were neither absent or tardy and Marcel Libby was absent only one day.

ELLEN H. BLACKWELL.

Plantation Warrant

STATE OF MAINE

COUNTY OF FRANKLIN, SS.

*To Omer Dyer, a Constable in the Plantation of Coplin, in the said
County of Franklin:*

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of Coplin Plantation, qualified to vote in Plantation affairs, to assemble at the Schoolhouse in said Plantation on the second day of March, 1942, at one o'clock in the afternoon, to vote on the following articles, to wit:

ARTICLE 1. To elect a moderator to preside at said meeting.

ART. 2. To elect a clerk for the ensuing year.

ART. 3. To see if the Plantation will vote to accept the report of municipal officers as printed.

ART. 4. To elect all necessary Plantation officers for the ensuing year.

ART. 5. To see what sum of money the Plantation will vote to appropriate and raise for Common Schools for the ensuing year. Estimate \$65.00.

ART. 6. To see what sum of money the Plantation will vote to appropriate and raise for High School tuition for the ensuing year. Estimate \$65.00.

ART. 7. To see what sum of money the Plantation will vote to appropriate and raise for textboooks and supplies for the ensuing year. Estimate \$40.00.

ART. 8. To see what sum of money the Plantation will vote to appropriate and raise for conveyance for High and Common School pupils for the ensuing year. Estimate, \$80.00.

ART. 9. To see what sum of money the Plantation will vote to appropriate and raise for the services of the public health nurse.

ART. 10. To see if the Plantation will vote to continue the Coplin School.

ART. 11. To see if the Plantation will vote to accept local bonds for Collector and Treasurer instead of those of Bonding Company.

ART. 12. To see what sum of money the Plantation will vote to appropriate and raise to pay Plantation Officers' bills for ensuing year. Estimate \$467.50.

ART. 13. To see what sum of money the Plantation will vote to appropriate and raise for Plantation roads in summer for the ensuing year. Estimate \$150.00.

ART. 14. To see what sum of money the Plantation will vote to appropriate and raise for winter roads and snowfence for the ensuing year. Estimate \$100.00.

ART. 15. To see what sum of money the Plantation will vote to appropriate for cutting bushes for the ensuing year. Estimate \$75.00.

ART. 16. To see if the Plantation will vote to appropriate and raise the sum of \$34.00, the sum required by State Highway Commission, for the maintenance of improved sections of the Third Class Highway for the ensuing year.

ART. 17. To see if the Plantation will vote to appropriate and raise \$605.00 for the maintenance for summer and winter of State Highway. (6.05 miles.)

ART. 18. To see if the Plantation will vote to appropriate and raise \$40.50 for the maintenance of State Aid Highway for the ensuing year.

ART. 19. To see what sum of money the Plantation will vote to appropriate and raise for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Chapter 213, Public Laws of 1941.

ART. 20. To see what sum of money the Plantation will vote to appropriate and raise for abatement and discount on taxes for the ensuing year.

ART. 21. To see what sum of money the Plantation will vote to appropriate and raise to help in the care of the Stratton Cemetery.

ART. 22. To see whether or not the Plantation will vote to take \$75.00 from the Plantation's Surplus to buy a United States Defense Bond. Also to see if the Plantation will vote to take \$25.00 or more or less from Surplus to give to the American Red Cross for war relief.

ART. 23. To see whether or not the Plantation will vote to raise and appropriate the sum of \$25.00 for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82, of the Revised Statutes. Said money to be expended through the State of Maine Publicity Bureau.

ART. 24. To transact any other business that may legally come before said meeting.

The Assessors give notice that they will be in session at the School-house for the purpose of revising and correcting the list of voters, at 12:30 o'clock in the afternoon, on the day of said meeting.

Given under our hands this 16th day of February, 1942.

A. L. SAVAGE,
BRUCE SCRIBNER,
JAMES BACHELDER,

Assessors of the Plantation of Coplin.
